**PARKS STUDY**

1. As you may know, many national parks have increased entry and visitor fees, some to more than twenty dollars per car. The parks are allowed to use these fees to pay for projects like improving roads and fixing buildings in need of repair. Do you favor or oppose these higher entrance and visitor fees? Is that strongly (favor/oppose) or somewhat (favor/oppose)?

3. **(ORDER OF STATEMENTS ROTATED)** Some people favor increasing development just outside the boundaries of national parks, such as building residential subdivisions and resort hotels, because they say it creates more recreational opportunities and amenities for park visitors to enjoy. Other people who oppose such development say it can harm the environment inside the parks, increasing pollution and damaging views. What about you?
